Events on the day

On arrival we greet you and ask for your guests to wait before entering the Marquee, and enjoy our landscaped gardens and woodlands.

When you arrive you will receive a glass of champagne, have a moment to reflect on the day so far. then the mock photos of cutting the cake. The receiving line is then formed, for you both and your families to welcome your guests, in the format you prefer.

While your guests enjoy a reception drink, you are then free to have a few more photographs around the grounds. Approximately half hour later your meal will start, followed by the speeches and cutting of the cake. After the main event, we will ask your guest to allow us to tidy the area up discreetly ready for your evening guests to arrive.

*A great Day to remember and
reflect for years to come*
